Deactivation of Student Learning Space, Student ICON Email, and Microsoft Accounts

13 We would like to inform you that your child's Student Learning Space (SLS), Student ICON (Google), and Microsoft accounts will be deactivated on **31 December 2024**. To prevent any loss of important information, we strongly encourage you to ensure that all necessary data is backed up before this date.

14 Key Actions Required:

Backup Data: Please assist your child in backing up any important files, emails, or information stored on their SLS, ICON (Google), and Microsoft accounts before the deactivation date.

Update Email Information: If your child has provided their student ICON email address to any educational institutions or organizations, we strongly advise updating them with an alternative email address to ensure uninterrupted communication.

The Final Lap

15 We would like to thank parents/guardians for encouraging your child/ward in the attending of the Academic Support Programme in Terms 2 and 3. As our students approach the final lap before the National Examinations, we will be taking a more targeted approach to prepare them through consultations. The schedule will be communicated to your child by their respective subject teachers. Let us work together to help Deyians reach their fullest potential!

Travel Declaration

16 For our necessary monitoring, the school will be sending out a message via Parents Gateway for you to indicate your travel plans. Given the emerging global health concerns, do also check the Travel Advisory at the MFA website (<https://www.mfa.gov.sg/Where-Are-You-Travelling-To>) prior to your year-end travels. A declaration is NOT required if your child/ward does not intend to travel overseas.

Student Well-Being

17 As the National exams draw near, please also encourage your child to pay attention to nutrition and getting enough rest. Exercising good personal hygiene helps everyone stay safe, as does social responsibility. If your child is unwell, e.g. with flu symptoms, please ensure that he/she wears a mask and seeks medical attention. The school thanks all parents for their cooperation in keeping the school a safe place for all.

18 We look forward to your continued support and partnership through Term 4 and hope that the upcoming November-December holidays will be a great time of bonding for you and your child/ward.

With Warm Regards
